Dear Parent/Carer,

Re: Assessment Information

We would like to provide you with as much useful information as possible in order to help you to support your child with their learning at home. Therefore, please find attached an outline of the assessments your child will sit from now until April.

Please note that although pupils may sit a number of assessments in a given week, we understand the need to support them in doing so. For example, our curriculums are designed as spiral curriculums that ensure pupils are continually given opportunities to review prior learning before final assessments. We will also endeavour to set homework that is linked to upcoming assessments so that pupils are able to consolidate learning.

Please do contact your child's teacher on Google Classroom if you have any questions. If you require further information, please find below the email address of each Head of Department; I am also available to answer any questions.
