Growing together through Christ with courage, confidence and dignity

1st November 2022

Dear Parent / Carer,

Re: Free tutoring

I am very pleased to confirm that your child will begin their **free tutoring next week** and it will last for 12 weeks. We have selected either GCSE English or GCSE Maths for their tutoring, depending on which they are weakest in. Your child has selected the time that they are free to attend. They have been informed of the day and time, but please do contact us if you are unsure.

The tutoring is delivered through MyTutor and is delivered **online**. Experienced university tutors deliver the sessions and there will only be two other pupils in your child's group. We know that regular attendance with MyTutor lessons can help students make **1 whole grade of progress** after just 10/12 weeks. We therefore hope that your child will make the most of this opportunity.

We have attached an information sheet for you; however, please check the key points below.

- Pupils must complete the tutoring **online, at home**;
- Pupils will need a computer or tablet to access tutoring – they **cannot use their mobile phones**;
- To access the tutoring, pupils must log-on to the following website using the details we have given them: mytutor.co.uk/schools/login
- If your child needs a microphone, please ask them to see Miss Masud to borrow one;
- If your child's tutor is ill, MyTutor will arrange a substitute tutor to ensure they do not miss any tutoring. Please ensure that your child stays logged on until a tutor appears;
- If you have any technical issues or questions, you can contact MyTutor as follows: email – schools@mytutor.co.uk phone - 0203 773 6025;
- If your child misses two sessions, they will be replaced with another pupil and you may be charged for the sessions.

The tutoring is only partially funded by the government; the school is paying a substantial proportion of the costs and we therefore ask that you monitor carefully that your child attends and engages in the sessions.

Wishing your child the very best in their forthcoming exams,

Miss S Masud
Assistant Headteacher, Teaching and Learning
