Dear Parents/Carers,

Re: Lime Bikes

I am writing to inform you that we have been contacted by legal counsel on behalf of Lime Bikes.

They have notified the school that they have identified that some Maria Fidelis students have been attempting to ride the bikes without paying, damaging the bikes and knocking them over to cause obstructions.

I am asking for your help and support with this matter. Please tell your children that tampering with any Lime vehicle is a criminal offence. Lime have also informed us that they will be taking criminal action against any individuals involved and have already reported a number of social media accounts (primarily Tiktok) that promote this type of behaviour, and that the police have commenced investigations.

Please also note that the minimum age to rent any Lime vehicle is 18 and, in light of this, no student at Maria Fidelis should be using the bikes at any time.

Yours faithfully,

Mr M. Anthony
Deputy Headteacher
