Dear Parents/Carers,

Re: School Uniform and Dress Code

I am writing to consult with parents about proposed changes to our uniform policy. The consultation period will last until Friday 26th May and I have attached a copy of the school uniform list with the proposed changes in red. If you would like to respond, please do so via the school email: office@mariafidelis.camden.sch.uk.

I would like to emphasise to all students and parents the importance of adhering to our uniform policy. The governors and staff set a very high standard for behaviour and dress at the school, which reflects the high expectations we have for all students at the school.

We have recently had issues with some students breaching the following aspects of the uniform policy:

- Wearing make-up
- Not wearing correct trousers (must be dark grey only)
- Rolling up skirts
- Not wearing the school blazer
- Not wearing school shoes

Please remind your children of these and ensure they are in full compliance with our uniform policy.

The school rules apply on journeys to and from school and when students are in uniform representing the school in public.

I would like to thank you for your ongoing support.

Yours faithfully,

Mr M. Anthony
Deputy Headteacher
