Growing together through Christ with courage, confidence and dignity

12th February 2021

Dear Parents and Carers,

We have reached the end of our half term in lockdown and have learnt a lot about how to improve our online teaching. Thank you for your support and feedback, it has been lovely to receive so many messages of appreciation from parents. We understand how difficult it has been for you to supervise your children's learning when you have work and caring responsibilities of your own. Well done to everyone, it has been a great team effort! Congratulations to this week's pupils who have been awarded the Headteacher's Commendation for excellent effort online.

We hope to be returning to full school opening as soon as possible after the 8th March but will have to wait for confirmation from the government; I will let you know as soon as I am informed; keep checking the 'Updates' section on the front of our website. We are also waiting for details of how grades are to be assessed this year for GCSE and A Levels; please remember that teachers are not allowed to give predicted grades but can tell you the grades your child is achieving at the moment and what they can do to improve them. Year 11 Parents should have received a link through their email to book Parent Evening appointments for Thursday 25th February.

I ask you to keep in your thoughts and prayers all those families and staff members who have lost loved ones in recent months. We ask the Lord to be with them and comfort them at this difficult time. I hope you all have a safe and restful half term break.

Take care and keep safe.

All Best Wishes

H.M. Gill
