

Maria Fidelis
Catholic School FCJ

Growing together through Christ with courage, confidence and dignity

13th March 2023

Dear Parents/Carers,

At Maria Fidelis, we pride ourselves in the amount of help and support we give our students outside of normal curriculum time. Many subjects currently run revision sessions after school on many days of the week and students can stay behind to work on their coursework or complete past exam papers.

Staff have kindly agreed to give up their own time over the Easter and half-term breaks to come back into school to offer revision and coursework sessions to students. On the back of this letter is a timetable, which shows which revision sessions are available for students each day. Please encourage your child to attend all the sessions available to them. Students are asked to attend in smart/casual clothes and should bring snacks and drinks as required. Students will need to sign in and out in the sessions that they attend.

Following all the additional sessions since September, we hope that students are now fully committed to their revision and have planned carefully when they are revising their subjects. With the first examinations, starting on the **15th May 2023** it is important that students plan ahead for this very important time.

Easter sessions will start promptly at **09:00am**. Admission to school will not be permitted after 09:15am. Entrance to the school will be via the main front door where students are required to sign in and out at the beginning and end of each session.

Could we also remind students to bring all the necessary equipment, this includes pens, calculators, and any other educational items required.

Please refer to the school website for the examination schedule and key dates. Overleaf are all the subjects available during the Easter break.

Yours faithfully

Ms. G Barrett
Assistant Headteacher
