

14th May 2024

Dear Parents/Carers,

Letter (15): Mobile Phone Policy Change

I would like to thank those parents who responded to the consultation last term about my proposed changes to our mobile phone policy. Following a meeting of the Full Governing Body, I am writing to inform you that the changes will come into effect after the May half term.

There have been a couple of incidents recently that have emphasized the need to expedite the change to protect students and staff, which is why I am bringing the implementation of this forward.

The key changes are that all students in Years 7-11 will be expected to hand their phones/smart devices in at the beginning of the School day; they will be returned at the end of the day. This will include trips during School hours.

Any adult found covertly recording or relaying conversations (ie having the phone on speaker mode for a third party to listen to) with staff will be prevented from attending further meetings until further notice. All communication will be by email only.

The full policy is available to see on the School website.

I thank you for your continued support.

Yours faithfully,

Mr M. Anthony
Headmaster
