

14th February 2025

Dear Parents/Carers,

Letter (5)

I hope that this letter finds you well.

January is always a difficult month to get through, but students have worked well so far this term and they are making good progress. I would also like to recognise the incredible work done by staff at the school: they never cease to impress me with their dedication to helping the children in our care.

An agreement had finally been reached concerning the demolition of the building by the rear entrance to the school and work will commence after half term. This means that the playground gate will be closed and all students will need to use the front entrance of the school until further notice.

We shall mark the start of Lent on Ash Wednesday, which falls on 5th March this year. Year 7 will go to Mass at St Aloysius Church. Please encourage your child to go to Mass during this time; we shall also be collecting for the Euston Foodbank during Lent. We shall send details about this after half term.

Please note that all children should have their full uniform and all the equipment they need each day at school. In particular, the pastoral team have noticed some children coming to school with handbags – these are not part of our uniform. Details can be found on our website, including how to obtain uniform directly from the school.

I wish you all a relaxing half term and look forward to welcoming students back on Monday 24th February.

Yours faithfully,

Mr M. Anthony
Headmaster
