

8<sup>th</sup> October 2025

Dear parents/carers,

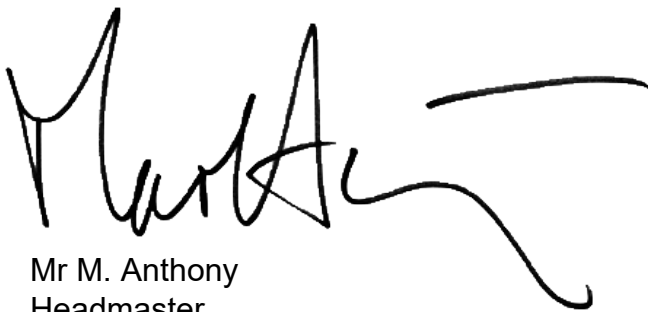

### **Letter (3) SHARP System**

I am writing to inform you that students are now able to access the SHARP system (Student Help Advice Reporting Pathway) via the school website. The link is immediately available on the homepage: students can log any concerns anonymously and the email will come straight to me. Staff will be informing students about how they can use this over the next two days. All concerns will be dealt with, but if a concern is raised anonymously, the school will not be able to confirm receipt of it or provide any updates.

We have had a strong start to the term; a large number of prospective families of Year 6 children have come for tours of the school and we had a very successful open evening. If you are aware of any family looking for a secondary place, please do ask them to contact the school.

I would like to take this opportunity to remind you that school will be closed for students on Friday 24<sup>th</sup> October and Monday 3<sup>rd</sup> November. There will be a further email to remind you of these dates nearer the time.

Yours faithfully,

Mr M. Anthony  
Headmaster
