

Growing together through Christ with courage, confidence and dignity

18th November 2025

Dear Parents/Carers,

Letter (5) Catholic Schools Inspection

I am pleased to report to you that we had a very successful inspection from the Catholic Schools Inspectorate.

The report highlights that we are a school where students not only know the FCJ values but live them with confidence, pride and compassion, expressing a real sense of belonging and understanding of the Gospel. Inspectors reported that, “the behaviour of students is exemplary...the school flourishes as a vibrant community and that staff provide the highest level of pastoral care”.

The report highlighted the students’ commitment to service, social justice, and the wider common good, and commended their charitable outreach, engagement with Catholic social teaching, and willingness to act as witnesses within and beyond the school.

The inspectors also recognised the warm, faith-filled environment cultivated by staff, whose dedication to pastoral care, chaplaincy, and the FCJ charism enables students of all backgrounds to flourish.

This is an excellent outcome that reflects the shared vision, hard work, and sense of vocation that characterise the entire Maria Fidelis community. It is a report about which the whole school community should feel proud and we shall use this as a base for further improvements as we strive for excellence in all areas.
