Dear Parent/Carer,

Re: TikTok account

You may have heard about the recent post on TikTok urging children in Hackney schools to fight each other. Another very similar post has been set up aimed at children of Camden schools.

This is a very worrying trend on social media, particularly in the light of recent violent acts carried out in other schools recently.

I have shared my concerns with the local authority who have passed this on to the police. I have received reassurance from the police that there will be a greater presence around schools.

I urge all parents to speak to their children about this, letting them know about the risks and dangers of any such these encouraged activities. If you or your child become aware of any planned fights, please notify the police immediately and contact me via the SHARP system. You can also contact me to let me know if you or your child has any further information about this. You can do this completely anonymously.

If any students are worried about this, please also let them know that they can talk to any member of staff at school. It is vitally important that we all work together to create a safe community for all.

Yours faithfully,

Mr M. Anthony
Headmaster
