

August 2026

Message from the Chair of Governors

On behalf of the Board of Governors, we are overjoyed at the success of our students in Year 11 and Year 13! Their results in GCSEs, A-levels, T-levels and B-tech vocational qualifications reflect hard work by students and commitment of Maria Fidelis staff at all levels.

The jump in 2026 results is only the beginning. Our school is committed to continual improvement on behalf of our students in all year groups. We intend to raise ambition, support achievement and help all of our students achieve their best, both personally and academically.

The FCJ values of companionship, dignity, excellence, gentleness, hope and justice underpin everything we do at Maria Fidelis. In academic terms, that means embedding adaptive teaching based on differentiated ways to support learning based on the strengths and needs of every student individually. Strong pastoral care, focus on the well-being of our whole school community, and cultivation of the unique gifts of every student are the bedrock of academic and personal success at Maria Fidelis.

As a school, we aim to make Maria Fidelis best in class by helping every student discover that, regardless of background of prior experience, ambition plus hard work brings success, satisfaction and a bright future.

Ms Elizabeth Carey
Chair of Governors
